## CALL FOR PAPERS

*Colombia Internacional* invites the academic community to participate in an **Open Topic** Call for Papers.

*Colombia Internacional*, journal edited and published by the Department of Political Science of Universidad de los Andes (Bogotá-Colombia), announces that it will receive open topic articles from **December 15 to January 15, 2022**. We invite all those interested in participating in this call to submit previously unpublished articles in Spanish, English, or Portuguese. All submitted articles should report original, previously unpublished research results, experimental or theoretical, on the discipline.

Originals submitted for consideration must be in Word for Windows format and must meet the journal's standards: maximum length of 10,000 words, 12 pt Times New Roman font, single-spaced, letter-sized paper with 3 cm margins. An extended summary of approximately 250 words is included on the first page. Author information is submitted in a different file. Footnotes and bibliographic references must be cited using the adaptation of the *Chicago Manual of Style* used by the journal.

During the call for papers, manuscripts may be submitted through the link: <https://mc04.manuscriptcentral.com/colombiaint>

All the articles will be subject to the following evaluation process: First, the Editorial Committee assesses if the article meets the basic requirements set for the journal and its pertinence regarding its appearance in a historical publication. Subsequently, all contributions are evaluated by two academic peers and by the Editorial Committee. The authors will be informed of the result of said evaluations within six months of the final submission date.

Articles sent to *Colombia Internacional* for evaluation cannot simultaneously be in the process of being evaluated by another publication.

You may check the editorial guidelines and criteria for presentation of articles on the magazine website: <http://colombiainternacional.uniandes.edu.co/>
