Revista de Estudios Sociales invites the academic community to participate in its call for open topic papers.

Submission of articles: October 15th to 30th, 2020

Revista de Estudios Sociales publishes unpublished articles in English, Spanish and Portuguese, which present research results in social sciences and theoretical reflections and reviews that contribute to relevant debates in this field. Proposals of articles must be sent through the platform https://mc04.manuscriptcentral.com/revsoc.

Papers submitted for evaluation must strictly comply with the requirements set by Revista de Estudios Sociales (see: http://revistas.uniandes.edu.co/for-authors/res/editorial-policy). Besides, articles submitted should not be undergoing other evaluation processes nor have publishing commitments with any other publication. Taking into account the amount of articles that the Journal receives for each call for papers, it does not publish another article by a previously published author until a period of two years has passed.
